

# **Visitors to Windsor**

**Updated Visitor Precaution Guidelines, April 8th, 2022**

**Currently all visitors must wear a mask when inside the community.**

**All visitors must still sign-in via Accusheild at the front desk.**

**Visitors are asked to keep interaction with other residents, family members and staff to a minimum during their time within the building.**

**Our general visitor precautions remain the same, the following remain closed to visitors: Pool, Veranda and Ashbee dining rooms, Skybar, the Reserve Café, scheduled events and activities, unless invited.**
